ESTELLA, LILO & VANDA

We never tire of watching sexy ladies when they end up pleasuring each other. Sultry Vanda was lonely when she called her two BFFs to come over to the house and party with her. She'll supply the toys, she said. She waited for them, wearing cute lingerie. These lovely ladies didn't waste any time making out and then tasting each other. They didn't just lick pussies. They plunged each other with some bad-ass toys. This has to be one of our favorite erotic scenes.

B073

B04-BLAIR

It is Vintage Porn Night at the Crown Cinema where I worked as a projectionist. The event never failed to attract a large crowd; folks got a big kick out chowing down on popcorn while watching XXX classics like *Behind the Green Door*, *Debbie Does Dallas*, and *Deep Throat* on the big screen.

I certainly did.

It was the best job I had ever had.

As a struggling Film Studies student, I couldn't have asked for a better part-time gig. And my duties weren't limited to just operating the projector. I was also responsible for procuring the films. This was no easy task, tracking down old reels from the 70s and early 80s. Of course, it would have been a lot easier to just use digital copies. But the Crown was striving for an authentic viewing experience, a real blast from the pornographic past.

Our 35 mm projector was ancient, and in constant need of repairs. Out of necessity, I had become something of a whiz at keeping the old contraption running smoothly. If my film career failed to take off—well, I could always fix projectors for a living; there were worse ways to pay the rent and put food on the table.

My typically pretentious and snobby professors knew nothing of

Blast from the Past

It was like going back in time, the first Saturday of each month...

my job at the Crown. Fearing their condemnation, perhaps even a failing grade, I kept this part of my life hidden. Let's face it, some people have a big problem with porn, viewing it as a societal evil no less destructive than America's drug crisis. I didn't need their self-righteous, kneejerk judgements, not with my future riding on successful completion of the program.

The first film of a dirty western triple feature was well underway when I ran out of orange soda pop. Empty cup in hand, I exited the booth and descended a short and narrow set of stairs to the lobby. Annie, my favorite concessionaire, greeted me with a smile.

"Hey, Ray," she said. "The usual?"

"You know it," I replied, proffering my cup.

She plucked it from my hand and turned to the fountain, inviting me to stare at her amazing ass. Her stretchy black workpants fit tightly; I could see the lines of her panties. Sweet eye candy, I thought.

Annie was my favorite concessionaire for a reason. She had a habit of paying me very special visits in the projection booth; these invariably occurred on the first Saturday of the month. Annie liked dirty movies, the older the better. They turned her on something fierce, making her want to suck and fuck like the actresses on the screen.

"There you go." She handed me my drink. "Anything else?"

"Come see me," I told her with a wry grin. "It can get awfully lonely in that projection booth."

"I just might do that," she said, smiling coyly.

I tried to maintain eye contact, tried and failed as my gaze kept gravitating to Annie's spectacular tits. Her twin peaks threatened to poke holes in her polo. I had sucked on both nipples before and desperately wanted to do so again, preferably as a preamble to pounding her amazingly

tight, eighteen-year-old cunt.

"Well," I said, "let me get back to work."

I started to leave when a concessionaire I had never seen before came out of the back with several packages of hotdog buns.

"I found them, Annie," she said.

Wow, I thought, stopping in my tracks to admire the new staff member. She was a total knockout, giving Annie a run for her money in the looks department. Her tits weren't as big as Annie's, but she had long legs and a tight little butt which made me entertain all kinds of dirty thoughts.

"Ray," Annie said, "this is Sasha."

"Hey, Sasha, welcome aboard."

"Thanks," she said, placing the buns beside the hotdog carousel. Then she looked at me thoughtfully and said, "What do you do?"

"I'm the projectionist."

"Cool."

"Ray has the best job in the house," Annie added. "He gets to sit on his ass and watch movies while the rest of us have to wait on customers."

She was right, of course. I did have the best job in the house. Her visits to the projection booth had everything to do with this. I couldn't wait to see her later tonight. Until then I would just have to content my-

self with the action on the screen and try not to jack off; I wanted to save my ball sauce for those spectacular tits of hers.

Returning to the projection booth, I saw that it was time to switch reels. I started the second feature, then relaxed, sitting there in my comfy chair, drink in hand, my feet propped on the worktable I used for repairs. Ah yes, I thought. Life is good. And it was about to get a whole lot better . . .

"Knock, knock," Annie said upon entering the booth.

She would typically watch a little bit of the movie to get properly turned on, but not today. She was good to go, so we got right to it. I watched her undress; this while guzzling my drink and using my other hand to liberate my burgeoning hard-on. Annie knelt in front of the chair, pushed my knees apart, and treated me to some wonderfully sloppy head.

Moaning and slobbering around my turgid prick, she pumped her head frenetically, prepping me like a world champion cock gobbler. I leaned back, the drink and movie forgotten, and enjoyed one of the best blowjobs of my life.

My spit shined prick was harder than a tire iron when she withdrew her mouth and sat atop the workta-

ble. I got out of the chair, kicked off my sandals and pants, and crouched before the table. Annie parted her thighs, granting me full access to her beautiful pussy. I went down on her without delay. She tensed at the touch of my tongue, sighing dreamily as I probed and licked and lapped. She was wet and hot. I sucked on her clit until she gasped and told me to do it, told me to stick my cock in her tight little cunt.

Tight is right, I thought. I knew from experience that her teen twat was snug. Still, I was nothing if not determined to loosen it up.

I rose to my full height and pushed her back. Annie lay there on the table beside an empty film canister, her gorgeous nipples aimed at the ceiling like a pair of surface-to-air missiles, one hand kneading her ripe half-melons, the other rubbing her glistening pink gash.

"Oh, yeah, Ray. Fuck me . . ."

I pushed inside her, plunging my cock to its base. Her pussy sheathed me like a vise. She lifted both knees with her hands, pulling her legs back, bending herself like a taco. I thrust repeatedly, slow at first, then harder and faster until I was fucking her with piston-like precision.

Annie's tits bounced hypnotically as I plowed her poon, moving

in synch with my thrusts. Our bodies slapped and clapped. Fifteen minutes was hardly a long break, but we were determined to make the most of it.

Moments later, I pulled out and had Annie hop down. She smiled knowingly, then turned around and bent over the table, framing her taut teen tush for a good and proper reaming. Standing behind her, I parted her cheeks with my hands and pressed my bulbous glans against her asshole.

This was something of a risky move on my part. Annie and I had fucked many times before, but I had never banged her bunghole. Still, I had a feeling that she wanted it just as badly as I did. Turns out I was right! This became abundantly clear when she regarded me over her shoulder and said, “Do it, baby. Put it in my butt . . .”

Music, I thought, to my ears. Then I pushed inside her.

Annie’s tight asshole yielded to my cock. I held her trim hips and fucked her. She was unbelievably snug. I wondered if she had ever taken it in the keester before. I just might be her first. The prospect was exciting. Still, I didn’t let it go to my head. Dwelling on a thing like that, popping a hot chick’s anal cherry, could easily make

me blow my wad too soon.

Thankfully, this didn’t happen.

I withdrew with every intention of coming all over her ass. No sooner had I pulled out than the door swung open. Annie and I gasped as one. Sasha stood there, her eyes wide like saucers, her mouth agape.

“—uh, um, er—”

“What the fuck, Sasha!?” Annie bellowed, raising her hands in frustration. “A knock would have been nice!”

“Sorry,” Sasha said. “I’ve been looking all over for you. Something is wrong with the credit card machine. I can’t get it to—”

“Okay, okay,” Annie said, shaking her head.

Her face was redder than a fire-truck; not so much from embarrassment, I reasoned, as anger. She dressed hastily and stormed out of the projection booth. As for me—well, I wasn’t angry at all. Hell, I rather liked the idea of Sasha catching Annie and I in the act. Maybe it would give her some naughty ideas of her own. Having a second coworker to fuck on a regular basis would make my job that much sweeter.

Sasha stood there beside the door, rooted to the spot, her eyes fixed on my cock. One corner of her lip

curled ever so slightly, the first traces of a lewd grin. She certainly wasn’t the bashful type. Having recovered from her initial shock, she seemed totally comfortable with the situation.

“See something you like?” I asked.

“Nice cock,” Sasha remarked.

“Thanks.”

In a perfect world she would have finished me with her mouth. Unfortunately, this didn’t happen. She did, however, ask if she could watch me jerk off. I granted her request, of course. My cock had deflated a bit since Annie’s abrupt departure, but it wasn’t long before I stroked it to full hardness. Sasha watched my performance with rapt attention, her lewd grin widening as I moved my hand faster and faster.

I came for her viewing pleasure, dumping a sizable load all over the floor. She thanked me and returned to work, leaving me there all by myself. I got dressed and watched the remainder of the triple feature.

Sasha’s compliment had been genuine. She really did like the looks of my cock, so much so that she started visiting me in the projection booth on Annie’s off days. Now I’m screwing both of them.

Not at the same time, but I have high hopes!

BLAIR-NTS-00

Sitting at the bar I got a text message from my friends saying they were running a little late. So I decided that I might as well make the most of it

I made Boca my Bitch

I was at Barry Bunn's dance club in Boca Raton waiting to meet my friends. We were spring breaking and ready to let loose. In the huge mirror behind the bar I could see the entire club, as well as myself. It was spring and the temperature was quite warm, so I dressed in a rather skimpy, tight-fitting black vest, a short, tight black leather mini-skirt and heels. My vest showed my tanned boobs off to perfection.

I was known for having bullet-like nipples that tended to poke through the little tops I would wear. Tonight I was sans bra and my nipples were poking hard at the material. Sometimes, they were a pain but on nights like tonight, they were a definitely plus. My name is Angel and I am not usually one.

Sitting at the bar I got a text message from my friends saying they were running a little late. So I decided that I might as well make the most of it by ordering another glass of wine from the bartender. 'Fuck it,' I thought to myself. Let me see if I can get some action before my friends arrive. And when they do, they'll have to find their own, because I'm not in the mood to share.

I finished my drink, tipped the bartender, and decided to check out the club. I made my way to the dance floor and started to look around for a guy that I'd find attractive and unattached. Within a few minutes I saw a guy that fit the bill. In the dark club, he looked about 23 with a nice shirt, jeans properly around his waist, and nice-looking shoes. Very important. As I made my way towards him, we made eye contact at about ten feet and I smiled at him. As he approached me, we instinctively started to shuffle dance, getting closer and closer.

When I dance with a guy, I want to

know that inside his pants he's getting gradually harder and harder because of my moves. After about fifteen minutes of dancing with him, kissing and touching him on the dance floor, I whispered into his ear. "I'm going to fuck you, now... in the rest room." Without giving him the option to answer, I grabbed his hands and started to pull him towards the ladies washroom.

The ladies rest rooms were generally not monitored. If there was to be trouble, it would most probably come from the men's room. At first, he was a little worried about going in the ladies room, but after I asked him if he wanted to fuck me or not, he complied, holding my hand and slipping into the nearest free cubicle after me.

Locking the door behind us, I told him to sit down and get his cock ready for a action. He did as I asked and pulled his jeans and boxers down. I grabbed his semi-erect cock and stroked it to full hardness. I bent over and gave it a quick lick and straightened back up to slip out of my thong and stuff it in my bag. I lifted my skirt, gently rubbing my clit for a few seconds so he could see, while I continued playing with his cock. Then I decided to get at it. His smile told me he was enjoying himself.

I squatted in front of him, the leather squeaking against my moist skin. I licked my lips as he watched and I totally engulfed his cock in one motion. It disappeared entirely in my mouth; my lips closed around it; and I slowly backed off eyes looking up at him. I started to give him my special blow job moves and I sensed he knew it. I licked and sucked all around his penis and dug my nails into his lower back as I pulled his hips into me to swallow that cock.

I needed to get closer myself, so I jammed my body down on him..., making sure my clit was pressing hard against the base of his cock.

I then pushed him down on the seat and straddled him. First, I lifted my skirt even more and put my wet pussy near his face. He leaned forward as if to lick it but I sat down on his cock too fast. By this time, I was dripping wet and his cock slipped inside me with relative ease. I could feel his muscles twitch as he felt me tighten around him. As I lowered myself onto his lap, I put my hands on his shoulders and looked into his eyes while I grinded on him.

I undid the remaining buttons on my vest and my boobs bounced out of their restraints. My nipples were hard, and I knew if he sucked them, it would get me closer to the edge. After a few minutes of sliding slowly up and down the shaft of his cock, I could tell by the increased rate of his breathing and the way his legs were starting to twitch that he was close to cumming. I needed to get closer myself, so I jammed my body down on him and changed from my previous gentle motion to a harder grind in a forward and backward motion, making sure my clit was pressing hard against the base of his cock.

But I still wasn't ready to cum, so I stood up and turned around to face the door and I bent over to shove my butt in his face. I wiggled backwards until I felt his lips on my pussy. His hands came around and pulled me deeper into him. I felt his tongue lick my outer lips and push it's way into my sopping wet hole. I reached up to brace myself on the door and bent over more to give him better access to me. His hands moved around to my butt and he squeezed my butt cheeks sending me deeper into pleasure.

I felt his tongue slide up and lick my butt hole, but I'm not ready for that with him, so I pulled myself forward,

reached down between my legs, grabbed his cock and guided it into my pussy as I sat down on him, reverse cowgirl style. With hands on my hips, he pulled me down and the final workout began. I bounced up and down on his cock, shaking the toilet and stall. He struggled to stay on the seat, but still managed to grab my boobs from behind and pinch my super-hard nipples. This was now starting to really send me over the edge. And him too apparently.

As I felt him begin to tighten up, I reached under and grabbed his balls and spun them around in my clutch until he came inside me with a muffled scream. The feeling of his hot cream spurting inside me felt fantastic but it didn't quite push me over the edge. With his cock still in me, I quickly started to rub my clit and within a few seconds, I felt the wave of an orgasm start to spread throughout my body.

I realized I didn't actually know his name but gave him a quick peck on the cheek and following a quick clean-up, we opened the cubicle door and walked out of the stall. My sense of pleasure was enhanced by the knowing glances and smiles I received from the other ladies in the rest room. Admittedly, we were so unaware of others in the rest room.

We headed back into the club and settled again at the bar. He ordered up a couple drinks for us as I felt a small hand on my shoulder. It was Nikki, one of my friends finally arriving – an hour too late. But I didn't mind. I had spent the time the way I wanted. I didn't bother to introduce them to him. After a while, I told them I had to use the ladies room. I looked over at him and left first. A few minutes later he followed me for round two!
